Modern Music Masters

The Modern Music Masters is a National honorary musical organization whose aim is to improve the music department. To be eligible for membership, a student must be able to show outstanding ability in music, have an A average in music, a B in other subjects and participate in either band or vocal music for one year. The local chapter of the Modern Music Masters was installed at Granite High in June. 1957. Mr. Meek and Mr. Simpkins organized the chapter and are sponsors of the group.

Granite City Senior

Our school band is one of the most active and interesting organizations at Granite High. The band, under the direction of Mr. Louis Meek, does much to promote and stimulate school spirit. The band enjoys playing at the football and basketball games, homecoming, baccalaureate, and various concerts.

Each year the members of the band who have met certain requirements are eligible to take a trip to some interesting part of the country. Last year the band spent five days in New Orleans. There they enjoyed a tour of the French Quarters and an excursion on the famous ship, President. This year the band is looking forward to a trip to Florida.

The students of Granite High wish to thank these students for all they do for our school and community.

Masque and Gavel

The highest honor of an honor speech student is to be accepted into Masque and Gavel. They participate in many activities at Granite High. One of the many activities is homecoming. Under the direction of Miss Mary Blackburn, the Masque and Gavel members take an annual trip to New York. New members are chosen each semester. To become a member, you must have above average grades, be highly recommended by your teachers, and be accepted by the active members by secret ballot. Then they are initiated.

Debate

The debate team, which originated in 1949, at Granite High, did very well last year by placing fourth at the state tournament, and it hopes to do even better this year. It won 22 and lost 6 on the affirmative. A few of the ones they won were St. Louis University, Augustana College, State tournaments, and the Evanston tournament.

The team has lost four of its varsity debators this year. They are: Robert Butler, John Miller, Carl Johnson, and John Spudich. Debate is sponsored by Miss Blackburn.

National Honor Society

David Toth, Charlotte Crippen, Carolyn McRaven, John Spudich

One of the highest honors achieved by a high school student is membership in the National Honor Society. To be accepted, the society requires evidence of excellent character, a "B" average, and outstanding leadership and service.

The society symbol, the torch of learning, has been held high at Granite since the founding

of the organization in 1952.

The Granite High Chapter, led by John Spudich, President, meets once a month. National Honor Society does not sponsor any projects of its own, but supports all those undertaken by others. Sponsors of the group are Miss Hazel

Towery, Chairman, Mrs. Mary Yevin, and Mr.

William Schmitt.

Each year Mr. Johnson sponsors an organization which tries to produce a book that will aid each student in remembering his or her high school days. The organization has been under his leadership since 1958, The shoat fl has found yearbooks in their library which date back to the 1920's. A yearbook is something no school should be without. The staff has worked harder than ever to make this "the" Yearbook to remember.

The Warrior is staffed by Advisor, Mr. Johnson; Editor, Mike Voorhees; Assistant-editor, Larry Wortham, Business Manager, Beth Wood; and Photography editor, Pat Kadanee.

Red Peppers

An organization that helps back our boys at football, baseball, basketball, track, tennis, cross-country, wrestling, and various other athletic events at Granite Gity High School, is known as Red Peppers. There are pep club buses to go to every out of town football and basketball game. They also sell programs, souvenirs, and mums at all the home games. A block "G" was started a couple of years ago to show the Red Pepper's activities at the games.

They sponsor the traditional Mr. Touchdown dance held at the last home football game of every season. This dance is to honor all the football players. Miss Celia Hutton is the sponsor of Red Peppers.

Trainer and Training Room

Granite City Sr. High is one of the very few high schools in this area to have a training room and the services of a student trainer. Our trainer is Kenneth Huber, a top senior, who devotes many, many hours of his own time to keeping our athletes in shape, thus helping to make "WARRIOR" victories possible. Kenny assisted Mr. Lewis, when he was the school's full time trainer before taking over the post of head football coach last year. With Mr. Lewis's resignation as trainer, Kenny took over the burden of the job. He has earned the respect of all our school's athletes because of the services he renders to them.

The training room offers many services to our athletes. Anything from having your ankles taped to prevent spraining them, to a whirl-pool bath to cure pulled muscles. This room is a familiar place to the many boys who use its services. But it is more than just a room, it is a small, compact doctor's office with old "Doc." Huber in attendance.

To an athlete, his feet are just about the most important part of his body. But to treat each boy's feet separately would be a never-ending job. That is why a foot-powder box is provided just outside the training room. On this you may sit and apply tough-skin, a liquid to stop blisters, and foot powder. This is an important asset to all boys connected with sports.

Yes, Granite City is privileged, indeed, to have a training room and the services of Kenny Huber. Together they help to make Granite's sports what they are today. In the future, we only hope someone as competent as Kenny will take over his responsibilities.

The Prom is an annual event that makes an ordinary night into the ball everyone dreams of attending. The candle light shows the shadows of many figures passing by talking to everyone they meet. The Prom is usually set for November. There is a committee to do most of the planning. The committee decides upon the band and selects a theme. This year the theme was "Arabian Nights." About two hundred couples danced to the music of the Newports, who played in front of a tent of yellow silk. In the background was a beautiful mural displaying an Arabian scene of a man on a flying carpet. The success of the Prom was largely due to the work of Jim Proffitt. Jim Cant, IJou'd Summers, and Mary Lewis, members of the committee.

Yearbook Staff Advisor and Editors

As Editors of the 1963 Warrior, we watched the staff work harder on this yearbook and devote more time to its completion than on any previous year. We wanted this book to be the best ever produced. We would like to take this opportunity to express sincere thanks and gratitude for the cooperation the staff gave us. We hope you, the student body, will enjoy the Warrior as much as we enjoyed producing it.
